ISV Competitions Report for 2017

Victoria hosted the 2016 Australian Figure Skating Championships at the end of 2016. The best Nationals ever! ISV is looking to host more higher level events. We will be hosting the inaugural ISU International Novice event in May 2018 – Oceania 2018.

Victoria conducted 1 benchmark event in 2017 – Crystal Challenge (MFSC). In 2018 we will be conducting 2 benchmark events Crystal Challenge and Victorian Figure Skating Championships to assist our athletes in attaining National Scores..

The following competitions were run in Victoria by Olympic Figure Skating Club and Melbourne Figure Skating Club:

- OFSC Olympic Trophy Challenge (Interstate) - Easter
- MFSC Autumn Challenge – April
- OFSC Masters Cup (Interstate) Queens Birthday weekend
- MFSC Spring Cup
- MFSC Crystal Challenge (Interstate)

The clubs also ran several exhibition skating events to provide extra performance experiences.

Ice Skating Victoria ran the Victorian Figure Skating Championships and Southern Cross Trophy run in October 2017.

The current Victorian State Champions for 2017 are:

Division	Athlete(s)
Basic Novice A Ladies	Josephine Sudiro
Basic Novice B Ladies	Victoria Alcantara
Intermediate Ladies	Chloe Di Gemma
Advanced Novice Ladies	Cailin O'Keefe
Advanced Novice Men	Juan Camillo Gaviria
Senior Ladies	Jennifer Toms
Adult Bronze Ladies	Sheila Bryan
Adult Silver Ladies	Tahlia Klopogge
Adult Gold Ladies	Charlotte Kesteven
Adult Masters/Elite Ladies	Deborah Toms
Synchro – Mixed Age	Eclipse
Synchro – Basic Novice	Harmony
Synchro – Adult	On Edge

Victoria is still a leader in technology for running our events thanks to Andrew Taylor. The live stream is a real winner!

The 2018 Calendar of Events is available on the www.iceskatingvictoria.org.au website. However ISV has noticed that the competition scene is changing with the expense of the sport. Athletes are being more selective about the events they enter – choosing larger competitions that are Benchmark events.
