In addition, they must have been a member of the Association for a minimum of six (6) months prior to the event date.

The highest placed Victorian athlete who obtains the required Championship score and who satisfies the above eligibility criteria will be awarded the title of Victorian State Champion for their respective category. Gold, silver and bronze medals will be presented to the VFSC Champion, second and third placed competitors respectively. Invited participants from other ISA or ISU members who place in any of the three positions in a VFSC event will be given appropriate medals in addition to the three highest placed Victorian competitors.

5.2 Champion Trophies

The Victorian State Champion receives, in addition to any other medal they may have been awarded:
