## 4.2 Voting rights

Membership categories with “Ice Skating Victoria voting rights” listed in the Inclusions afford voting rights in ballots for Ice Skating Victoria General Meetings.

Any members under 16 years of age at the closing date of the ballot will automatically have their vote deferred to their nominated guardian as listed in their membership record.

## 4.3 Ice Sports Victoria membership

Ice Sports Victoria membership is included in all membership options with the exception of “Supporter”. Ice Sports Victoria is the State Government recognised State Sporting Association for ice sports in Victoria.

## 5. Requirement for membership

### 5.1 Competitions

Athletes who compete in any competition must hold either:

- i. A Skating membership if competing in the Preliminary division or higher; or
- ii. A Skating Beginner or Skating membership if competing in any of the Aussie Skate divisions.

If the appropriate membership type is not held at the time of the close of entries, the Athlete will be withdrawn from the competition at their own expense.

Members can upgrade their membership to Skating for the difference in price plus a processing fee.

### 5.2 Testing

Athletes undertaking Ice Skating Australia tests must hold a Skating membership at the time of close of entries. If the appropriate membership type is not held at the time of the close of entries, the Athlete will be withdrawn from the test session at their own expense.

Athletes undertaking Aussie Skate tests as part of a skate school program do not require Association membership.

### 5.3 Club membership

In addition to Association membership, Athletes must have Club membership to a Club who is a member of the association.

Current member Clubs are:

- Century Figure Skating Club (CFSC)
- Melbourne Figure Skating Club Incorporated (MFSC)
- Olympic Figure Skating Club Inc. (OFSC)
- Victorian Synchronized Iceskating Club Incorporated (trading as VicSynchro) (VSIC)

Athletes can be members of multiple clubs, but can only represent one club per entry to an event. Athletes who are entering in multiple disciplines can represent a different club for each discipline at a single event.

Team Events must have all Team Members as current members of the club nominated on their entry form.

## **6. Acceptance of membership**

Applicants for membership with ISV will be assessed by the Board and accepted or declined based on, but not solely dependant upon, the following

- Must be of good financial standing with their previous state if they are transferring from another state
- Must provide a statement as to why they are leaving the original state if it is for reasons other than change of physical location
- Must provide accurate and traceable information in the application process
- Has not acted in a way whose misconduct is detrimental to the interests of the Association

All applications are subject to approval by the ISV Board at their complete discretion. Applications and payments submitted through the ISV website do not guarantee acceptance. In the event that an application is declined, any payment made as an ISV membership fee will be promptly refunded.

## **7. Termination of membership**

The Board of the Association reserves the right to annul any membership, including Life Members, if an individual person or persons fail to follow all applicable regulations, policies and codes of conduct endorsed by Association and NSO.
